Services: Marketing

**Cause Inspired Media** has developed a detailed and unsurpassed understanding of the Google Ad Grant program. Using Google Ad Grants as a marketing pillar, we develop relevant and powerful digital marketing campaigns for nonprofits. We use these Google provided tools to not only educate nonprofits' constituents, but to ensure they have the power to enact meaningful change in their missions.

Cause Inspired Media's expertise extends beyond the cost-per-click ads on the Google Search Network: the team encapsulates the best of digital marketing strategies in branding, web design, and social media to strategically reach audiences at every point online. With all our services under one roof, nonprofits know that each facet of their online presence is set up for success. Our team of specialists work together to create an integrated marketing plan with proven performance.
