

501(c) Services

is a proud TANGO Partner

Services: Unemployment Insurance / HR Services

The 501(c) Services

Nearly 40 years ago, 501(c) Services established the first unemployment program in the country to offer a safe way for eligible organizations to legally stop paying the state unemployment insurance tax while still covering unemployment charges for former employees.

A 100 percent employee-owned company, 501(c) Services helps you pay only for your own unemployment claims, provides claims management and HR assistance. Our success is due to our hands-on, full-service approach, coordinated by a fully staffed inhouse team.

We currently serve nearly 2,500 nonprofits across the United States – over 40 in Connecticut alone. 501(c) Services works with both large national agencies such as Boys and Girls Clubs,

Y-USA, Feeding America and United Cerebral Palsy as well as smaller stand-alone organizations from Connecticut and across the United States.

SPECIAL SAVINGS FOR TANGO MEMBERS:

At 501(c) Services, we help organizations:

- Manage their unemployment expenses and claims
- Provide their separated employees with re-employment services
- Offer employers a certified staff educational series
- Nonprofit specific HR assistance

TANGO Region Served:
Nationwide
