

# Beacon Law Group is a proud TANGO Partner

Beacon Law Group focusses on developing collaborative attorney-client relationships.

Our attorneys have provided legal support to nonprofit organizations for decades. We work closely with clients to understand their missions and objectives, and to develop legal strategies to achieve them. We also utilize business judgment to offer practical solutions to establish, grow and sustain client organizations.

Our goal is to develop long-lasting “partnerships” with our clients and provide them with resources to help structure and manage a successful organization.
