

CLA (CliftonLarsonAllen LLP)

is a proud TANGO Partner

Services: Auditing, Accounting, Tax and Business Advisory Services

Professionals who work with nonprofits have to know more than standards and regulations. They have to understand the context surrounding the organization, the motivation of leadership, and the perspective of the people served.

CLA provides you with a team of professionals with the broad experience needed to help strengthen and guide your organization.

A Unique Approach

CLA has one of the largest nonprofit practices in the country. With more than 50 years of experience in the nonprofit sector, we serve a wide variety of organizations, including associations and membership organizations, foundations, higher education institutions, religious organizations, social service organizations.

Our committed nonprofit consultants can help you develop strategies rooted in sound business fundamentals, strengthen communication between staff and boards, and sharpen overall execution.
