The Alliance for Nonprofit Growth and Opportunity, Inc. (TANGO) is a community of non-profit organizations that leverages its collective clout to create a platform on which socially responsible companies can deliver support that drives innovation, fiscal responsibility and mission advancement. By banding together, we have changed the way business is done. Our collective purchasing power drives a better deal—beyond the “non-profit rate”, our members benefit from the sharing of intellectual capital, best business practices, peer-to-peer engagement, and the untold benefits of being part of a community that “gets it.” Learn more at TANGOalliance.org
