Integrated Merchant Alliance Southeast

Integrated Merchant Alliance Southeast

offers businesses of all types and sizes access to a customized suite of payment products and other valuable business solutions that are designed to help clients control costs, remain competitive, eliminate administrative burdens, and expand market share.

Our specialties include payment processing and transaction acceptance products, payroll services, business loans and funding solutions, gift card and loyalty programs, as well as e-commerce and mobile payment solutions.

“Having served on many Non-Profit Boards near and dear to my heart, Big Brothers/ Big Sisters and Junior Achievement, to name a few, I recognize that the fundraising trend for Non-Profits relies heavily on credit card collections.

With that in mind, IMA SE's goal is to provide 501(c)3 Certified Businesses with a low cost and fair program with no monthly minimums, next day funding, and no annual fees.

I want to give back by providing you access to a more fiscally responsible way to collect donations. You need to be able to raise funds and minimize the cost of collecting those funds, and I will do small my part in helping make that happen for you!”

--C. Jason Bundy, President IMA SE
