

Leary Public Affairs, LLC

is a proud TANGO Partner

Services: Lobbying, Law, Consulting, Communications

Leary Public Affairs, LLC

Leary Public Affairs LLC is a new lobbying and law firm that specializes in issues advocacy, policy and legal analysis, coalition building, strategic communications, and crisis management. Due to its founder's three decades of experience as a policymaker, attorney, lobbyist, and public policy advocate, LPA is uniquely positioned to serve nonprofit, healthcare, and higher education institutions.

To succeed in today's environment of rapid legislative, regulatory, and funding changes, institutions need strategic, knowledgeable, and effective advocates and advisors. With decades of experience advising top government officials, CEOs and senior executives, and implementing successful political, policy and communications strategies, LPA's founder is well-positioned to help your nonprofit navigate these turbulent times and sustain your ability to implement your vital mission.
