

NFP is a Proud TANGO Partner

Services: Employee Benefits & Risk Management, Business Consultation, HR & Compliance

NFP is a leading property casualty broker, employee benefits consultant, wealth manager and, retirement plan advisor. Our legacy of helping nonprofits continues, yet now with the expertise of three newly acquired nonprofit specialty firms; Insurance Provider Group, Rose & Kiernan and the Schuster Group (TANGO's Founder).

This merger of talents, resources, and experience in working with nonprofits now provides significant advantages to TANGO's membership.

We have built an employee benefits and insurance platform that offers proprietary programs from some of the nation's leading carriers and vendors, all designed to serve the unique needs of the sector. While we are now a global organization, we haven't lost the fact that we are a socially conscious business guided by the principal of "doing well by doing good." We are committed to supporting the growth of TANGO and the communities we live in on a professional and personal basis.
