

New England Enrollment Strategies

is a proud TANGO Partner

Services: Voluntary Employee Benefits & Insurance

TANGO continues to work closely with NFP to expand the insurance and employee benefits programs available to our members. **NEES** is one of the nation's largest benefit enrollment and communication firms that specialize in offering clients a menu of benefit enrollment services, benefit communication support, benefit administration platforms, all powered by offering your employees voluntary benefits. Our team consists of 60+ local benefit counselors, enrollment managers, implementation specialists, benefits administration system case builders, and a dedicated service team.

We create a customized enrollment experience for you while providing the highest level of services. We proudly service over 1,500 clients ranging in size from 3 employees to over 150,000 employees. We have a unique focus in the mid-large case market to include 2 state governments, over 100 municipalities, and over 150 non-profits.

The premise of our firm is built upon the following:

- Employers deserve to have employees that fully understand and appreciate the benefits made available to them.
- Most working Americans are just one accident or injury away from financial hardship.
- By satisfying these needs, we firmly believe that we enable organizations to build a more loyal and fulfilled workforce which ultimately helps companies with recruitment, retention, and employee satisfaction.
- Building strong partnerships with socially conscious businesses like TANGO and NFP
