

# The NEW DAY Group, Inc.

*is a proud TANGO Partner*

Services: Video/Television Production and Photography

The NEW DAY Group provides high quality video production services throughout New England and beyond. Our services include 4K video production, aerial video/photo, photography, post production services, live web streaming, creative writing and storyboarding, talent casting, and television commercial production. We produce video for television, web and social media, as well as long-form videos that power the growth of organizations and businesses, communicating clear and effective messages. Our team works with you to produce compelling video to help communicate with your specific audience and meet your marketing goals. We carefully manage every aspect of each video project while working side by side with you as a partner.
