*is a proud TANGO Partner*

**Services:** Energy Consulting

**Titan Energy** is an independent energy consultancy group with in-depth knowledge of energy markets operating in all competitive markets throughout the United States. Founded in 2001 at the start of energy deregulation, Titan Energy has always been committed to helping nonprofits create comprehensive energy management strategies backed by data to control and reduce energy costs.

Our experience with municipalities and nonprofits across many sectors and sizes has enabled us to understand the unique needs nonprofits have in the ever-increasing cost and complexity of energy markets, utility regulation, and supply options.
