*is a proud TANGO Partner*

**Services:** Talent Acquisition

At **Weiser Innovations**, we are your talent acquisition strategists. We leverage our expertise to create a robust and sophisticated talent acquisition function for your business. We work with you to define your goals and provide the resources to achieve them.

Weiser Innovations focuses our work in four areas: strategy, training, projects, and support.

- Strategy is the foundation for all your talent acquisition activities.
- Training ensures your team has the tools and education to be successful.
- Retained Projects provide additional bandwidth to complete deliverables.
- The Talent Acquisition Support Line provides answers for your team when they are unsure of how to address specific situations.

Whether your needs span all four areas or just one, we are focused on making your hiring process as efficient and effective as possible.
